200 TONS SOLD WEEKLY.

### Our Pet, Puppy, and Cod Liver Dog Biscuits

are put up in about 5 and 10 lb. Tins and 50 lb. Cases any of our Fibrine Cakes can be obtained with 7 to 40 per cent. of meat by ordering them.

SPRATTS PATENT DOG CAKES have now attained their world-wide reputation as the cheapest and most wholesome Dog Food by the excellence of the materials of which they are composed, the meat, flour, oatmeal, dates and vegetable matter used in their manufacture being the very best suited for the purpose. They are not made of any useless innutritious waste material. They are the result of all the science that money can procure and 25 years' experience in the Manufacture of Dog Biscuits could suggest. Their quality and superiority is apparent to any person who will take the trouble to compare them with any other Dog Biscuit manufactured, their manufacture is our staple business, we do not make them in order to use up any worthless meat from which all the nutrition has been extracted we use nothing, but sound wholesome beef for their manufacture.

They are recommended by all the sporting papers throughout the civilized world. All the noted writers on the Dog recommend them, a CAPITAL OF SEVERAL MILLIONS OF DOLLARS is invested in their manufacture. Owners of kennels, in America, are daily writing to the Sporting Press, saying that they could find nothing to equal them, vide Forest and Stream, Turf, Field and Farm, etc., etc.

READ the common sense of Dog doctoring, the common sense of Poultry keeping and the common sense of Pheasant rearing all by SPRATTS PATENT, Limited.

If you cannot obtain our BISCUITS from our Grocers, our MEDICINES from your Druggist, and our POULTRY and MALTED FOODS from your Seed or Grain Merchant.

## TOWN OF ST. HENRY.

(Incorporated in 1876.)

An incorporated town, adjoining the City limit of Montreal, and formed by the amalgamation of the former villages of Tannery West and Coteau St. Augustin. The Town of St. Henry is situated in the seigniority of Montreal, county of Hochelaga and district of Montreal. The Lachine canal passes on the south side, and signal stations of the Grand Trunk Railway are situated here at the junctions where the roads branch off east and west, and to Montreal and Lachine. The Grand Trunk Railway Co., with the aid of the Council of the Town, has erected a splendid station, at the curve, near the St. Joseph street bridge. The municipality of St. Henry is governed by a Mayor and Corporation, and a separate permanent Fire and Police force is maintained. The town contains a new Roman Catholic college and convent, church and presbytery, and several important industries, amongst others two extensive tanneries, boot and shoe factories, brick yards, the C. W. Williams Manufacturing Co., employing 600 hands, a cotton

manufacturing Co., one of the finest in the Dominion, and a public Abattoir and stock yard Co. The Council has built a very fine Town Hall, Fire and Police station at the corner of St. Henry and St. Bonaventure streets, at the cost of \$25,000. Building is being prosecuted briskly, and the town bids fair to rise into some importance, having Fire and Police system of alarm telegraph. The town is now lighted by gas and oil lamps. Distance from Bonaventure depot 2½ miles, from Lachine 6 miles. Population about 9,000.

All who desire to obtain better personal knowledge of the necessity for such institutions, their practical benefit to the sick poor, and their claims on the liberality of our citizens, are invited to visit the Dispensary about one o'clock on any day (except Sunday) and judge for themselves.

This institution furnishes medical and surgical aid and medicines to the sick poor of every nationality and religion in Montreal.

The attending physicians visit at their own homes those who are unable to come to the Dispensary and too poor to pay.

In restoring to health, it restores to many their only means of support, and thus prevents poverty, pauperism and crime.

It is dependent, chiefly, upon voluntary contributions for its support.
